

## ***YOUTH COMMISSION***

### **RSR Walfer Club Commitment**

Club Commitment RSR Walfer Volleyball Club is committed to providing a safe and supportive environment where players can grow individually and with their team.

Growth and maturity come in the form of learning the game of Volleyball physically and mentally in successes and failures. We'll provide the knowledge, space, techniques, time, equipment, team, and competition opportunities for growth. During the season there will always be concerns and questions nagging us as parents who want the very best for their son(s) or daughter(s). We commit to provide a "listen and understand first" club environment for players and parents. We encourage "constructive" feedback. We want to make sure all the players' and parents' concerns are addressed. It is up to the players and parents to make the commitment and investment into the players.

RSR WALFER Volleyball Club's focus is to provide training to all players in the sport of volleyball. Each player is guaranteed practice time. Playing time in matches and tournaments is not guaranteed to any player. Playing time is determined by the coach(es) and may depend on the position of each player, skill level, and commitment at practices, behavior and attitude.

### **Player's Commitment / Code of Conduct**

By signing this commitment, I/WE understand that I/WE have committed to play for RSR WALFER Volleyball Club for the entire season and will be held responsible for all of the following terms:
